Items in Committee (23-25)

"Services Committee, to which should be referred matters relating to public safety, public works, urban county courts, and constitutional officers."

Council Rules & Procedures, Section 2.102(3)

RESIDENTIAL BLOCK PARTY POLICY

The Division of Traffic Engineering is authorized through Sections 18-14 and 18-15 of the Code of Ordinances of the Lexington-Fayette Urban County Government as the only office that may permit street or portions of them to be closed for block party (block public right-of-way for a short time) use.

A permit may be issued only:

1. To an adult resident of the interested neighborhood, neighborhood association president or church pastor.
2. If the neighborhood has been notified of the party.
3. If the neighborhood takes part (no private parties allowed).
4. If no other laws or ordinances are violated (noise, alcoholic beverages on right-of-way).
5. If the permit is requested five (5) days prior to the date of block party.
6. If the permit holder (group representative) is held responsible for supplying, erecting, and removing necessary barricades for the event.

Ordinances Referenced:

Sec. 18-14. Play streets--Authority to establish.

The director, division of traffic engineering shall have the authority to declare any street or part thereof a play street and to place appropriate signs or devices in the roadway indicating and helping to protect the same.

Sec. 18-15. Same--Driving thereon.

Whenever authorized signs are erected indicating any street or part thereof as a play street, no person shall drive a vehicle upon any such street or portion thereof except drivers of vehicles having business or whose residences are within such closed areas; and then any such driver shall exercise the greatest care in driving upon any such street or portion thereof.

Jim,

Can you provide any info on the permit that was issued for a block party on Devonport Drive on Sunday (5/13)? Mr. Moloney received a lot of complaints, and evidently Traffic Engineering issued the permit to close the street (see below)

Thanks!

Those would come from Traffic Engineering and any variance in the noise ordinance would come from Commissioner Bennett's office.

We are notification only, not an approving authority on these.

Capt. Boggs,

Mr. Moloney received a lot of complaints about the block party on Devonport Drive yesterday, and I am guessing the Police did too! Can you provide any details on the permit that was issued? Also, as a heads up Mr. Moloney is probably going to bring this up in tomorrow's work session.

City of Boulder Block Party Application Packet

Please allow 30 days for processing. When the permit has been approved, the sponsor will be contacted to sign and pick it up.

Section 1 Regulations

The city of Boulder welcomes the opportunity to work with neighborhood groups wishing to build relationships and strengthen their corner of the community. Block parties are often a wonderful way for neighbors to reach out and connect with one another, so the city has carefully crafted the following application process in an effort to provide clear, concise guidelines for block party hosts. We hope the items contained in this application will help you create a safe, fun and enjoyable gathering on your neighborhood block. Please read the following information carefully and let us know if you have any questions or need any assistance. Thank you!

A block party is a gathering of residents on a particular neighborhood block for the purpose of building relationships and fostering community.

Block parties can include: the closing and barricading of a single residential city street (required); the availability of refreshments; activities within the blocked street area; and *other activities that are legal and safe.*

Block parties DO NOT include: loud music; alcohol on public streets, sidewalks or other city property; unknown or uninvited guests; mandatory cover charges; closure of more than one street; any activities that could result in city code violations; more than the designated number of participants; any activity that violates the block party permit; *or any illegal or unsafe activity or behavior as determined by the police and fire departments.*

Process:

Each request for a block party permit will be reviewed on a case by case basis. The City Manager's Office will send a completed application to various departments for their approval (Fire, Police, Environmental Enforcement, Transportation, Neighborhood Services and Risk Management). You do not need to contact each City department. The only exception is **you must contact Environmental Enforcement when live or amplified music will be present** (see below).

The following information provides procedures followed by the City of Boulder. The City Manager will make decisions on granting or denying this permit application based on criteria specified in 2-2-11 BRC 1981.

- The block party sponsor must be a resident of the block to be closed.
- The sponsor must be at least 18 years of age.

- Block party must be held between the hours of 12:00 p.m. and 10:00 p.m. for no more than 8 hours.
- No more than 100 people may attend. Special approval must be given by the city for numbers greater than this.
- Block parties may not be held on major roads or areas where safety is a concern
- Barricades and Marshals must be provided by the applicant (Requirements - #2).
- Alcohol is not permitted on public property.

Application Information:

This application must be filled out completely. The application will be approved and a permit issued only after all requirements and deadlines of the City of Boulder are met. Failure to comply with any of the following requirements and deadlines may terminate the permit process; or result in denial or revocation of the block party permit. When the permit has been approved, the sponsor will be contacted to sign and pick it up.

If the permit is denied, the City of Boulder assumes no liability for expenses incurred by the applicant. Permits may be denied for any reason deemed necessary by the City, particularly where significant dates, public safety, police staffing and neighborhood concerns are identified.

If during the course of the event, the city determines there is a public safety hazard or if there is a violation of any permit condition, the event can be terminated immediately. The sponsor will be responsible for closing down the block party immediately, ensuring participants vacate the premises, removing barricades and thoroughly removing any event supplies and trash. The City of Boulder is not responsible for any expenses incurred by the permit holder. Failure to meet the requirements of this permit may provide basis for denial of future permits for a block party, or sponsor.

Requirements

1. Application

Submit a complete application to the City Manager's Office at least 30 days in advance. Late or incomplete applications will not be accepted.

Application must include a detailed map of the block party area.

2. Barricades/Marshals

Two type III (3) barricades (with flashing lights) with "Road Closed" signs will be used to close the street; Marshals (designated residents or someone hired to serve in that capacity) are **required at the points of closure to answer questions and maintain the barricades**. Applicant is responsible for renting barricades.

Accommodation for emergency response must be provided at all times on the streets. Barricades must be staffed at all times and must be movable to accommodate emergency access for police, fire, and emergency medical services.

Accommodation for emergency response must be provided at all times on closed streets. A 20-foot wide corridor must be maintained along the closure for emergency vehicles. The city recommends that all block party set-ups (food, tables, chairs, toys, etc.) be placed on one side of the street only to allow access for emergency vehicles in the event of emergency. Barricades must be staffed at all times and must be movable to accommodate emergency access for police, fire, and emergency medical services.

Marshals must be 18 years of age or older. **Marshals shall not act as flaggers or traffic controllers.**

3. **Amplification or live music requirements**

If you have been granted a block party permit and amplification or live music will be present, you must contact Environmental Enforcement at 303-441-3239 to determine if an off-duty officer must be hired (**21 days in advance**). If complaints are received, all music, bands, and amplification will be turned down or turned off.

A summons will be issued for any municipal code violation (Boulder Revised Code 5-6-2 and 5-3-8). A copy of these ordinances may be obtained at the Citizen Assistance Office or the Environmental Enforcement Office or on the web at <http://www.bouldercolorado.gov/cao/brc/title5.html>

Payment for the Environmental Officer is required 21 days in advance of the event. Hourly rates for 2006 are: \$45.00/hour for more than two weeks notice; \$60.00/hour for less than two weeks' notice, plus a 10% administrative fee.

4. **Alcohol**

A Block Party permit does not allow the sale of alcohol or the consumption of alcohol on public property (in city streets, sidewalks, parks, etc.). Alcohol is allowed only on private property. All state and city alcohol laws still apply during Block Parties.

5. **Clean-up**

Sponsor is responsible for cleanup after the event.

6. **Block Party Notification**

A good faith effort must be made to contact the residents on your block and notify them of your plans for a block party. This helps avoid misunderstandings and signifies to the city that the majority of the block endorses this event, and helps strengthen neighborhood relations.

Below are several different suggestions of how to notify your block of the party. Whatever method you choose, it is important to include the date and time that the street will be closed. This helps residents plan ahead. Should any conflicts with the proposed block party date, time or location arise, it is the responsibility of the applicant to work through the issue with your neighbor.

Examples of notification:

- Phone calls
- E-mail
- Save the date flyer (sample attached)
- Petition (a sample of a petition is given below)

Also included in the packet is a sample map that can be used to help keep track residents' participation.

7. For ideas, tips and more information on hosting a block party, go to <http://www.bouldercolorado.gov/neighborhood> or call 303-441-4959.
8. If you have any problems during the block party, please call the police at the non-emergency number 303-441-3333. For an emergency call 911.

As an applicant for a block party permit, I certify that I have read and understand all of the conditions and procedures that are required in order to obtain the permit and I agree to comply with each of those conditions and procedures.

I agree to indemnify and hold harmless the City of Boulder, and all City of Boulder officers, employees, agents and representatives, from any claims (including costs of defending such claims) or damages that may arise from the occurrence of the block party or from related events.

I understand that a block party permit does not authorize violation of city or state laws, except to the limited extent that it allows a street to be temporarily closed in conformity with permit conditions. I also understand that a block party permit does not excuse failure to comply with orders of law enforcement personnel, firefighters or other emergency workers, and that it does not provide immunity from civil claims of third parties that are based upon damages occurring at, or in conjunction with, block party events.

I affirm, under penalty of perjury, that the statements and representations made in connection with this application are true to the best of my knowledge.
