1. ARTISAN APARTMENTS, LLC ZONING MAP AMENDMENT & HILLENMEYER PROPERTY EAST (ARTISAN APARTMENTS) (AMD) ZONING DEVELOPMENT PLAN

- a. **PLN-MAR-22-00010: ARTISAN APARTMENTS, LLC** – a petition for a zone map amendment from a Wholesale and Warehouse Business (B-4) zone to a Planned Neighborhood Residential (R-3) zone, for 2.22 net (3.39 gross) acres, for property at 2651 Sandersville Road.

COMPREHENSIVE PLAN AND PROPOSED USE

The 2018 Comprehensive Plan, Imagine Lexington, seeks to provide flexible yet focused planning guidance to ensure equitable development of our community's resources and infrastructure that enhances our quality of life, and fosters regional planning and economic development. This will be accomplished while protecting the environment, promoting successful, accessible neighborhoods, and preserving the unique Bluegrass landscape that has made Lexington-Fayette County the Horse Capital of the World.

The petitioner proposes the rezoning of the subject property to the Planned Neighborhood Residential (R-3) zone to allow for the construction of two three-story multi-family apartment buildings, with a capacity of 48 dwelling units total, with a density of 22.6 units per acre.

The Zoning Committee Recommended: **Approval**, for the reasons provided by staff.

The Staff Recommends: **Approval**, for the following reasons:

1. The requested Planned Neighborhood Residential (R-3) zone is in agreement with the 2018 Comprehensive Plan's Goals and Objectives, for the following reasons:
 - a. The proposed project will grow successful neighborhoods (Theme A) by creating a development that matches existing urban form in the area (Theme A, Goal #2.b), promotes multi-modal connectivity (Theme A, Goal #3.b) while also meeting community needs by increasing housing options and supply (Theme A, Goal #1.b).
 - b. The proposed project will improve a desirable community (Theme D) by incorporating a pedestrian focused design (Theme D, Goal #1.a) that provides safe and clearly delineated pedestrian connections and facilities.
 - c. The rezoning will maximize development on vacant and underutilized land within the Urban Service Area (Theme E, Goal #1.d) in an effort to preserve the urban and rural balance (Theme E, Goal #1).
2. A Planned Neighborhood Residential (R-3) zone is in agreement with the 2018 Comprehensive Plan's Policies, for the following reasons:
 - a. The proposed rezoning will utilize a people-first design, with designated pedestrian and multi modal infrastructure (Design Policies #1, 5, 6)
 - b. The proposed project will incorporate appropriate roadway connections by aligning their access drive with adjacent development across Sandersville Road (Design Policy #2)
 - c. The proposed project will limit the visual impact of the proposed parking areas (Design Policy #7).
3. The justification and corollary development plan are in agreement with the policies and development criteria of the 2018 Comprehensive Plan.

- a. The proposed rezoning meets the criteria for Site Design, Building Form and Location as the site prioritizes connections with the existing multi-family development, and meets the criteria within the Multi-Family Design Standards.
 - b. The proposed rezoning prioritizes the inclusion of safe pedestrian facilities. These improvements address the Transportation and Pedestrian Connectivity development criteria of the 2018 Comprehensive Plan.
 - c. The proposed rezoning meets the criteria for Greenspace and Environmental Health as it works with the current landscape and adds tree canopy coverage in the form of landscape buffers and property perimeter screening.
4. This recommendation is made subject to approval and certification of PLN-MJDP-22-00032: RML-Hillenmeyer Property East (Artisan Apartments), prior to forwarding a recommendation to the Urban County Council. This certification must be accomplished within two weeks of the Planning Commission's approval.

- b. PLN-MJDP-22-00032: HILLENMEYER PROPERTY EAST (ARTISAN APARTMENTS) (AMD) (08/31/22)* - located at 2651 SANDERSVILLE ROAD, LEXINGTON, KY
Council District: 2
Project Contact: EA Partners

Note: The purpose of this amended plan is to depict development of two multi-family residential buildings with 48 dwelling units, in support of the requested zone change from Wholesale and Warehouse Business (B-4) zone to a Planned Neighborhood Residential (R-3) zone

The Subdivision Committee Recommended: **Approval**, subject to the following conditions:

1. Provided the Urban County Council rezones the property R-3; otherwise, any Commission action of approval is null and void.
2. Urban County Engineer's acceptance of drainage, storm and sanitary sewers, and floodplain information.
3. Urban County Traffic Engineer's approval of street cross-sections and access.
4. Urban Forester's approval of tree inventory map.
5. Greenspace Planner's approval of the treatment of greenways and greenspace.
6. Department of Environmental Quality's approval of environmentally sensitive areas.

C. PUBLIC HEARINGS ON ZONING ORDINANCE TEXT AMENDMENTS

1. **PLN-ZOTA-22-00006: AMENDMENT TO ARTICLE 22, APPENDIX C TO CREATE THE PLANNED UNIT DEVELOPMENT (PUD-3) ZONE** – petition for a Zoning Ordinance text amendment to create a new Planned Unit Development 3 (PUD-3) zone (Article 22) to allow a mixed-use development that would permit a blend of residential, commercial, entertainment, and industrial uses.

INITIATED BY: Turner Property 4, LLC

PROPOSED TEXT: Copies are available from the staff.

The Zoning Committee Recommended: **Postponement**.

The Staff Recommends: **Postponement**, for the following reason:

1. The proposed text amendment does not yet fully meet the intent and requirements established by Article 22 of the Zoning Ordinance regarding the creation of a Planned Unit Development (PUD). The site criteria, design standards, and proposed uses necessitate greater review.
2. The proposed text amendment does not provide a planning process that is conforming with Article 21 of the Zoning Ordinance.

2. **PLN-ZOTA-22-00008: AMENDMENT TO ARTICLE 23A-10 TO ALLOW STADIUMS IN THE ECONOMIC DEVELOPMENT (ED) ZONE** – a petition for a Zoning Ordinance text amendment to allow stadiums as a principal permitted use in the Economic Development (ED) zone, and to modify the special provisions section to allow stadiums to operate in an open building (not a completely enclosed structure) and to operate with the use of loudspeakers.

INITIATED BY: Anderson Communities, Inc

PROPOSED TEXT: Copies are available from the staff.

The Zoning Committee Recommended: **Postponement**.

* - Denotes date by which Commission must either approve or disapprove request, unless agreed to a longer time by the applicant.

The Staff Recommends: **Approval of the Staff Alternative text for**, for the following reasons.

1. The inclusion of sports complexes as a use in the Zoning Ordinance can lead to the growth of sports tourism in Lexington, which can have both direct and indirect impacts to the local, regional and state economies.
2. The inclusion of sports complexes as a conditional use in the Economic Development (ED) zone is in agreement with the 2018 Comprehensive Plan and the Parks and Recreation Master Plan which promote the creation of a large regional athletic field complex for economic development and to enhance Lexington's existing facilities (Theme C, Livability Policy #3).
3. The Expansion Area Master Plan (EAMP) calls for Economic Development land use in Expansion Areas 2a and 3 to be located along the interstate corridor. The Plan further outlines the necessary infrastructure to support high intensity land uses in these locations, substantially similar to those that may be related to a sports complex, or its components.

3. **PLN-ZOTA-22-00012: AMENDMENT TO ARTICLE 8-1(d)(13) TO ALLOW CONCESSIONS AND LIGHTING IN CONJUNCTION WITH OUTDOOR RECREATIONAL FACILITIES IN THE AGRICULTURAL RURAL (A-R) ZONE** – a petition for a Zoning Ordinance text amendment to allow for concessions and lighting in conjunction with outdoor recreational facilities in the Agricultural Rural (A-R) zone.

INITIATED BY: Anderson Communities, Inc

PROPOSED TEXT: Copies are available from the staff.

The Zoning Committee Recommended: **referral to the full Planning Commission**.

The Staff Recommends: **Approval of the Staff Alternative text for**, for the following reasons.

1. The inclusion of concessions as an accessory use to an outdoor recreation facility, is limited in scope, does not require additional infrastructure, and is substantially similar to allowances that the Board of Adjustment has made for other outdoor recreation facilities within Fayette County.
2. Allowing for limited concessions, per the proposed definition, would reduce off-site vehicle trips and provide greater convenience to participants and spectators.
3. Outdoor lighting in the Agricultural Rural (A-R) zone should remain limited to agricultural uses.

VI. COMMISSION ITEMS - The Chair will announce that any item a Commission member would like to present will be heard at this time.

VII. STAFF ITEMS – The staff will report at the meeting.

During the month of June, Long-Range Planning staff continued to move forward with a number of implementation items related to the 2018 Comprehensive Plan.

Staff continued discussion on the upcoming update to *Imagine Lexington* which will be finalized in 2023. Long-Range staff presented proposed Goals & Objectives to the Planning Commission, taking the Public Input Report, data, trends, and best practices into account. Board of Adjustment

Eight (8) applications were considered by the Board of Adjustment at their regular meeting on June 13, 2022. Four (4) of the applications were requests for variances, three (3) were applications for conditional use permits and one (1) was a request for an administrative appeal. One of the variance requests was postponed as requested by the applicant, and the Board voted to approve the three (3) other variance requests. Approval was granted for one (1) of the applications for conditional uses, one (1) was disapproved, and, after several hours of testimony and discussion, the Board called a Special Meeting for June 28 in order to continue hearing the third conditional use application.
