BOAR Other

Items to be considered be mandated to staff (2023)

The Historic Preservation staff recommends to the BOAR that the following be added to items to be reviewed and permits issued by Staff:

New Construction

- Construction of sheds no greater than 200 square feet.
- Construction of handicap ramps.

Site Elements

- Refreshing of gravel.

It is understood that any applications that staff cannot issue a permits on will be heard by the Board of Architectural Review.
