Summary and Motions

Chair Worley called the meeting to order at 1:03 p.m. Vice Mayor Wu and Committee Members J. Brown, Ellinger, Lynch, LeGris, Sheehan, Reynolds, and Plomin were in attendance. Council members Fogle, Monarrez, Gray, F. Brown, and Sevigny were present as non-voting members. Council member Baxter was absent.

I. May 7, 2024 General Government and Planning Committee Summary

Motion by Wu to approve the May 7, 2024, GGP Committee Summary. Seconded by Ellinger. Motion passed without dissent.

II. Public Input Subcommittee Partial Report-Out

Jennifer Sutton, Council Research Analyst presented on behalf of the item. The purpose of the Public Input Subcommittee is to review, update, and improve the public input process for the Council making it easier for residents to access information and engage with Council. The scope of work includes reviewing and modernizing the current public input process, review and update public input resident guidelines, research and select an engagement platform, create a marketing/education plan, and provide periodic updates to the GGP Committee.

Sutton shared updates on the new Public Information Officer position, public input technology, events, and an update to the Council Rules and Procedures. The Public Information Officer has managed the electronic sign-in process, social media campaigns, council comment newsletter, and creates resources for Council Offices.

A public input annual report shows that from April 2023 to April 2024, 371 unique individuals gave public comment while only 80% of those individuals signed in on time. Council Meeting attendance reflected 183 participants across 26 meetings; 18% of participants yielded their time. New technology includes Engage Lexington which was launched on April 22, 2024 with two projects: STRs and FY2025 Budget. The site has had over 3,000 visits, over 300 contributions, almost 500 registrants, and an engagement rate of 11%.

The subcommittee recommended amending the Council Rules and Procedures to modify the USB policy and clarify that public comment is a time for residents' spoken comment to Council.

A motion by Baxter to approve the proposed changes to the Council Rules and Procedures, seconded by Wu, passed unanimously.

A motion by Baxter to report this item at the 6/11/2024 work session, seconded by Reynolds, passed unanimously.

III. Short Term Rentals Policy Review

Wes Holbrook, Director of Revenue, and Jennifer Sutton, Council Research Analyst, presented on behalf of this item. The Short Term Rental (STR) ordinance was passed on July 11, 2023. There was a six month grace

period of STR operators to register existing units. In January 2024, Division of Revenue began identification, investigation, and enforcements of non-compliant operators. Granicus was selected through the RFP process to be the software solution that will support efforts to enforce the ordinance.

The Engage Lexington platform was launched on April 22, 2024. When it launched, there was a STR survey for Lexington residents to provide additional feedback on STRs. The survey on Engage Lexington for STR received 353 total responses. 71% of respondents were aware of an STR in their neighborhood, 29% of respondents were not aware. 56% of respondents had no complaints or issues with STRs in their neighborhood while 44% had complaints. The top 5 complaints were noise, parking, parties, public safety concerns, and trash. Sutton shared additional results from the survey.

There have been 625 licensed STRs through Revenue, 339 first notices of violation sent, 154 second notices, and 21 citations issued. Holbrook shared additional policy recommendations which included require approval from an owners' association as part of the application for attached units/condos, require that the use be commenced in a certain time period, establish spacing requirements for un-hosted STRs, review requirements for verification of hosted STRs, and examine license requirements for STRs that rent by room.

Next steps include presenting a revised ordinance to GGP, advance the revised ordinance to Council and to the Planning Commission. Then the ordinance will return to Council for review and adoption.

No action was taken on this item.

IV. Items Referred to Committee

A motion by Plomin to remove item #1: *Study of Consent Agenda Process for Council Meetings*, seconded by Baxter, passed unanimously.

A motion by Plomin to remove item #10: *Study of Conditional Use Permits and Related Zone Text Amendments in the Rural Service Area*, seconded by J. Brown, passed unanimously.

SHORT-TERM RENTAL ORDINANCE CHANGES

General Government and Planning Committee

Evan Thompson

August 29, 2024

LEXINGTON

Background

- The Short-Term Rental Ordinances were approved by this committee on March 7, 2023.
- The Planning Commission approved the ZOTA, with some recommendations, on May 11, 2023.
- The Ordinances were approved by Council on July 11, 2023.
- As of last week, the Division of Revenue has approved 686 special fees licenses.

Recommend Changes to Chapter 13 of the Code of Ordinances

Definition of “primary residence”

Current Version

- To be a Hosted STR, a dwelling unit on the subject property must be a primary residence, and the primary resident has to occupy the property while the STR is being rented out.
- To show a dwelling unit is a “primary residence,” the applicant must provide at least two of the following:
 - Motor vehicle registration;
 - Driver’s license;
 - Voter registration;
 - Tax documents showing the premises as the individual’s residence;
 - Utility bill.

Proposed Version

- To show a dwelling unit is a “primary residence,” the applicant must provide:
 - One of the following:
 - Un-expired driver’s license; or
 - Current voter registration; and
 - One of the following, dated within the past year:
 - Tax document showing the premises as the individual’s residence; or
 - Bank statement; or
 - Motor vehicle registration; or
 - Utility bill.

Expiration of STR licenses

Current Version

- STR licenses and renewals expire upon:
 - December 31st following the most recent application or renewal;
 - a change in Licensee or ownership of a dwelling unit used as a short-term rental; or
 - the revocation of a conditional use permit.

Proposed Version

- STR licenses and renewals will also expire upon a change in use from one form of short-term rental (hosted or un-hosted) to the other.

Duties of a Licensee

- Section 13-79 of the Code lays out certain duties of a Licensee.
- Examples:
 - safety requirements (smoke detectors, fire extinguishers, rescue openings in sleeping rooms, etc);
 - certain information posted to help the guest, such as:
 - contact information for Licensee, police, and fire in case of emergencies;
 - trash information;
 - maximum occupancy;
 - the website address where a guest may review requirements and file a complaint; occupancy limits;
 - prohibition on private events exceeding the maximum occupancy or between 11pm and 7am; and
 - certain reporting requirements.

Proposed changes to the Duties of a Licensee

- The proposed text reduces the occupancy limit
 - Current Version
 - Maximum of two (2) individuals per bedroom, plus an additional four (4) individuals, up to a maximum of twelve (12) individuals; or as otherwise allowed in the Licensee's conditional use permit or the Zoning Ordinance.
 - Proposed Version
 - Maximum of two (2) individuals per bedroom, plus an additional **two (2)** individuals, up to a maximum of **ten (10)** individuals...
- The proposed text also adds two duties of the Licensee
 - The Licensee must ensure that the STR meets and complies with the following:
 - No more than one contract per STR at a time
 - So, two separate groups cannot book an STR for the same dates.
 - Licensees cannot allow “whole house” rentals for those dwelling units occupied by someone other than the transient guest.

Clean-up changes

- Section 13-77(b)(5)
 - Requires the approval by the Division of Planning to ensure compliance with the Zoning Ordinance before an STR license application is approved by the Division of Revenue.
 - Rather lengthy
 - The proposed change would reduce the length of the subsection to state the requirement more succinctly.
- Section 13-77(b)(6)
 - Requires the applicant to provide the maximum number of occupants it will allow, “consistent with” the number allowed by the Code of Ordinances and the Zoning Ordinance.
 - The proposed change would make it more clear that this number can “be no greater than” the number permitted by the Code of Ordinances and the Zoning Ordinance.

Recommend Changes to the Zoning Ordinance

Change in Maximum Occupancy Limit

Current Version

- For accessory units in residential zones: A maximum of 2 individuals per bedroom, plus an additional 4, or a total of 12, whichever is less.
- For conditional uses: the number set by the Board of Adjustment.

Proposed Version

- For principal and accessory uses: A maximum of 2 individuals per bedroom, plus an additional 2, or a total of 10, whichever is less.
- For conditional uses: the number set by the Board of Adjustment.

Additional considerations for the Board of Adjustment

- The proposed changes add guidance for the Board of Adjustment to take into consideration when determining whether to grant a Conditional Use permit:
 - whether the property being considered is in a high demand area for STRs.
 - whether the property being considered is within a neighborhood that may be vulnerable to involuntary displacement.

Spatial Limitations for Un-Hosted STRs

- No Short-Term Rentals requiring a Conditional Use Permit can be located within 500 feet of another Un-Hosted STR that has already received a Conditional Use Permit or was otherwise grandfathered in previously.
- The number of Short-Term Rentals requiring a Conditional Use Permit cannot exceed 3% of all dwelling units within any given 1000' in residential zones.
- Possible Relief:
 - Can apply to the Board of Adjustment, for the following reasons:
 - Adjacent to nonresidential zones that allow for Un-Hosted STRs;
 - Separation from other Un-Hosted STRs within the buffer area;
 - Perimeter of the buffer area and located partially outside the buffer area; or
 - A neighborhood plan encourages and supports Un-Hosted Short-Term Rentals in the subject area.
